

Perfect for

- Healthcare & Institutional
- Office & Commercial Centers
- Hospitality & Recreation
- Education & Athletics
- Multi-Unit Residences

When you need beautiful style, reliable quality and cost-effective design, today's laminate countertops from Rynone are the perfect solution for almost any work environment.

Attractive. Economical. Hard Working.

If you haven't looked at laminate surfaces lately, look again. Today's laminate countertops and work surfaces from Rynone[®] offer a brilliant array of color, edge and design options that are the smart choice for virtually any healthcare, commercial or institutional space. These easy-care surfaces stand up to heavy daily use and still look and perform great. An extensive portfolio of color options will fit any setting. For a clean, contemporary look, opt for Rynone post-form tops that offer a seamless design.

When customization is a priority, choose self-edge tops and mix colors and/or edge styles. Laminate surfaces from Rynone get the job done right . . . every day.

Easy Order, Quick Delivery

Just complete the order process with your design consultant and you can have your beautiful laminate countertops or work surface in as little as two weeks. Special orders only take a little longer.

Ask your design consultant for the popular in-stock Formica® colors for self-edge and post-form no-drip tops available for quick ship. Or choose from hundreds of brand name colors, patterns and textures as special order.

Rynone Laminate Countertops and work surfaces are manufactured using special resins and composite materials to form a tough, easy-to-maintain surface in a vast array of vibrant colors, patterns and designs. The new generation of laminates rivals other surfaces in beauty, authenticity and style, while offering a cost-effective option for a variety of applications. Versatility, easy cleaning, minimum maintenance and long-lasting beauty make laminate surfaces practical and economical for virtually any work area. Every Rynone countertop and surface is manufactured with special care and craftsmanship to ensure exceptional quality. Rynone is a name you can trust.

Eight Reasons to Choose Rynone Laminate Countertops

Beautiful – Nearly unlimited array of attractive color and style choices for any design.

Economy – Cost-effective way to create beautiful, functional countertops.

Profiles – Self-edge with custom options or popular pre-form edge designs for seamless, no-drip fronts and backsplashes.

Quality – Manufactured for heavy use in institutional and commercial settings.

Sanitation – Non-porous surface to avoid microbe growth.

Care Free – Easy to clean and virtually maintenance free.

Durability – Tough, resilient surface that will look great for years under hard use.

Sustainability – Rynone uses eco-friendly processes to manufacture our countertops.
