

POSTFORM EDGE PROFILES

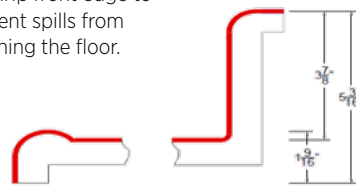

TEMPO WATERFALL

One of the most popular choices with a wide variety of applications.

CAPRICE NO-DRIP

No-drip front edge to prevent spills from reaching the floor.

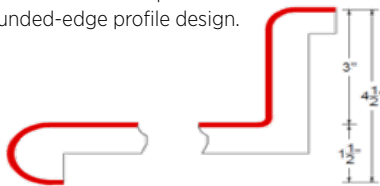

CLASSIC SQUARE

Desirable in both commercial and residential settings.

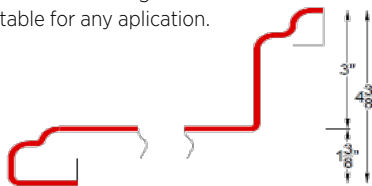

NOVA EURO ROUND

Ideal for those who prefer a rounded-edge profile design.

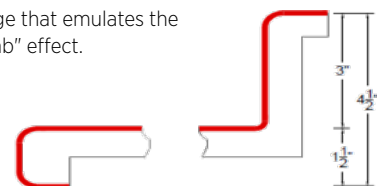

AFTON DOUBLE WATERFALL

Double waterfall ogee blend suitable for any application.

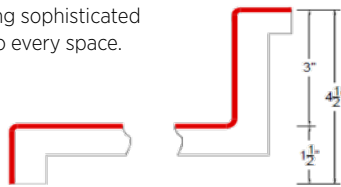

FUTURA EURO SQUARE

Seamless double-radius edge that emulates the "slab" effect.

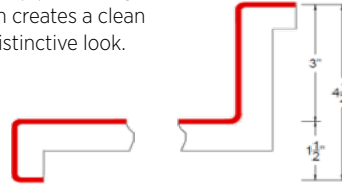

MARBELLA PENCIL

Refined and modern, bringing sophisticated style to every space.

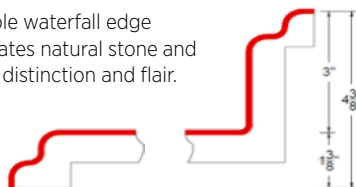

ORA FULL-WRAP PENCIL

Full-wrap pencil-edge design creates a clean and distinctive look.

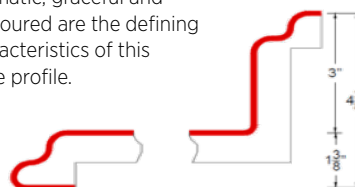

BARCELONA CONTEMPORARY OGEE

Double waterfall edge emulates natural stone and adds distinction and flair.

VALENCIA FULL-WRAP OGEE

Dramatic, graceful and contoured are the defining characteristics of this edge profile.
